Attachments: 404 reg training PPT.pptx

Hi, here is a draft PPT for the 404 training to be held in July. I took materials from other presentations, including some on our web. I did reformat the permit slide to speak to this audience. I shortened it to two slides.

Please let me know if you have any comments by noon Wed so I can give a final version to Rachel for printing and compiling in the training materials.

Jeff, thanks again for your willingness to present this.
